

Laura Cabello

PHD IN NATURAL LANGUAGE PROCESSING · AI

Department of Computer Science, University of Copenhagen, Denmark

✉ lcp [at] di.ku.dk | 🏠 lautel.github.io | 📧 lautel | 📺 laura-cabello-piqueras

Education

PhD, Computer Science

UNIVERSITY OF COPENHAGEN

Copenhagen, Denmark

Jun. 2021 - Dec. 2024

- Topics: Natural Language Processing, LLMs, GenAI, Machine Learning
- Advisor: Prof. Anders Søgaard

MSc, Telecommunication Engineering

UNIVERSITY OF ZARAGOZA & TAMPERE UNIVERSITY OF TECHNOLOGY

Spain & Finland

2014 - 2017

- Major: Signal Processing
- Thesis: Autoregressive model based on a deep convolutional neural network for audio generation
- Thesis Supervisors: Prof. Tuomas Virtanen, Prof. Heikki Huttunen

Work Experience

Research Intern

SONY AI

Tokyo, Japan

Nov. 2023 - May 2024

- I worked as an ML researcher with the Gastronomy team. My research focused on Aspect-Based Sentiment Analysis and the development of an LLM-based solution to leverage unannotated corpora.

NLP Software Engineer

NTT DATA

Zaragoza, Spain

Jun. 2019 - Jun. 2021

- I worked developing Knowler, a product for knowledge management. I actively participated in the full life-cycle of ML models (such as a document classifier or the core search module), from development to production.
- I developed new functionalities, such as the entity disambiguation module.

Software Engineer

INGENIA

Zaragoza, Spain

Feb. 2018 - Jun. 2019

- I developed software solutions for public and private transport systems, working on back-end systems in ASP.NET and SPARQL that included various NLP modules for language processing.
- I also contributed to front-end development using Xamarin and Angular.

Research Assistant

UNIVERSITY OF ZARAGOZA

Zaragoza, Spain

Feb. 2017 - Feb. 2018

- Collaboration with the European Project IRIS.
- Research on NLP and language technologies for augmentative and alternative communication.

Software Engineer Intern

MEDIA GLOBAL LINKS

Tokyo, Japan

Feb. 2015 - Aug. 2015

- I worked on network troubleshooting as part of the Network Management Team.

Teaching and Advising

- 2025 **Co-advisor for MSc Thesis 'Graph Retrieval Augmented Generation'**, University of Copenhagen
- 2023 **Co-advisor for BSc Thesis 'Fair Recommender Systems'**, University of Copenhagen
- 2023 **Teaching Assistant for Web Recommender Systems**, University of Copenhagen
- 2022 **Teaching Assistant for Web Science**, University of Copenhagen
- 2017 **Physics for Telecommunications**, Tutoring classes at a local academy
- 2017 **Mathematics for Telecommunications**, Tutoring classes at a local academy

Skills

Programming Languages Python, bash, SPARQL

Frameworks and Tools PyTorch, SpaCy, Git, Docker, Slurm, AWS, Weights & Biases

Natural Languages Spanish (native), English (full professional, Cambridge English Advanced (CAE)), Japanese (limited working)

Service

Workshop co-organizer C3NLP (ACL '24, NAACL '25)
(Beers with) NLPeers Series of events to bring NLP researchers together ([website](#))
Reviewer COLING, EMNLP, *ACL, ARR
